Dear Sir,

Re: Notice of Consultation: CRTC 2013-19
Reference Numbers: 2012-1051-7 & 2012-0689-7

As Mayor of the City of Burlington, I am writing today to offer my support for Avis de Recherche TV/ALL Points Bulletin TV networks' application to the CRTC to grant the service of "Public Interest" status.

This program would allow police, fire and other public security organizations to instantly broadcast public safety and prevention messages, providing our citizens with added safety and security, as well as educational information that would be of great value. I would suggest the success of the French-language Avis de recherché (ADR-TV) speaks favourably to the need for such a service.

I believe a service that both quickly and professionally provides public safety Information is a vital component to ensuring we remain one of Canada's safest regions.

Thank you for your attention. Please do not hesitate to contact my office if I can be of further assistance.

Yours sincerely,
