RE: Article 7 of CRTC 2007-1,
Application Numbers 2006-0508-2 and 2006-0509-0

Dear Secretary General Rheume,

The Saskatchewan Federation of Police Officers represents over 1,000 sworn and civilian professionals who provide policing to six municipalities in Saskatchewan. I have reviewed the proposals regarding Avis de Recherche TV and All Points Bulletin Television and would like to add our collective voices in support of this application.

Policing in a province as diverse and widespread as Saskatchewan offers unique challenges and opportunities that we have learned can be overcome by sharing information, ideas, and best practices. We see this application as an extension of those philosophies.

The Saskatchewan Federation of Police Officers is also a supporter of Child Find Saskatchewan, the missing children component of the proposed programming structure would be beneficial in reuniting missing children with their families. Its potential as a resource in an 'Amber Alert' could be quite valuable.

We strongly endorse this application.
