Dear Madame Rheume:

Reference: **Letter of Support**
Article 7 of CRTC 2007-1,
Application numbers 2006-0508-2 and 2006-0509-0

I am writing in support of the above applications in which the proprietors of Avis de Recherche TV and All Points Bulletin TV seek Public Interest status under provisions of the *Broadcasting Act*.

The Cobourg Police Service values the importance of using media in order to communicate with members of the public on a regular basis. This Service currently publishes a daily media release which includes occurrences of public interest as well as various initiatives and crime prevention and awareness tips. The information generated from the releases is published through local media outlets.

We believe in the value to utilize visual media as an effective manner to communicate directly with the public in which we serve. To have access to a television network which is dedicated to relaying our message would be a great asset and would further ensure the safety and awareness of the citizens we serve.

The Cobourg Police Service therefore endorses this initiative and we encourage the CRTC to approve these applications.

Respectfully,

Garry W.G. Clement
Chief of Police
